

TITLE | Associate Attorney

Our growing family law practice in downtown Charlotte seeks an associate attorney. Qualified applicants must be licensed to practice law in North Carolina and have a passion for practicing family law specifically. We seek candidates who are eager to learn from experienced mentors and who work well in a team environment. The ability to understand Local Rules and how they apply to family law cases is extremely important, as is the ability to solve problems and communicate effectively both in writing and verbally with clients and team members.

Recent licensees will appreciate our firm's approach to attorney development and the opportunity to learn your craft thoroughly in a team setting before gaining experience arguing in court. Applicants showing high levels of energy and enthusiasm to develop their legal skills through a combination of active learning and personal determination will be best suited for this position.

Qualified applicants must also be able to display an understanding of how to market themselves in a competitive legal environment and describe in clear terms the plans they have for their short and midterm professional development. We ask that all interested candidates take the time to draft a letter of interest specifically detailing your interest in this position and why you feel you are a good fit for this opportunity and submit your letter of interest, along with your current resume to the following:
